# Welcome to ProQuest Ebook Central™!

Here are some tips to help you get started:

1. **Go to ProQuest Ebook Central via your library website.**

2. **Search for books** by entering a keyword, ISBN, or other terms into the search box. Put quotes around exact keyword phrases such as "autism spectrum disorder". Or try Advanced Search or Browse Subjects.

3. **Narrow search results** by publication year, subject, and other filters.

4. **Learn more about a book** by selecting a title or selecting ☰ to view the table of contents, book availability for online reading and download, copy and print allowances, and bibliographic data.
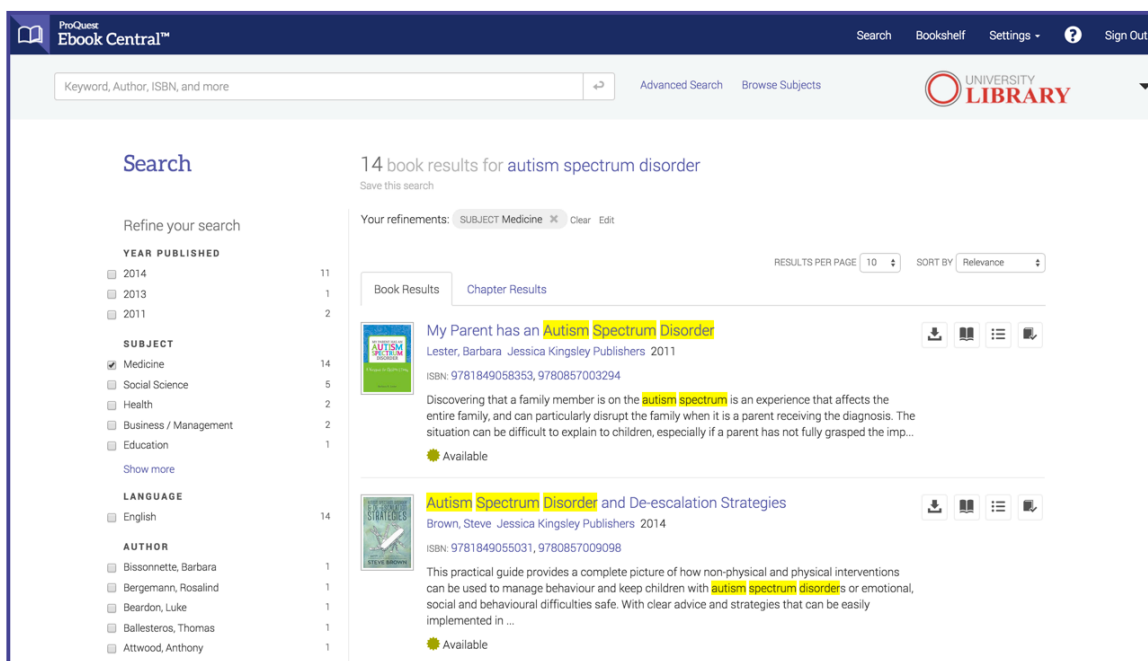

Your search terms highlighted in Ebook Central search results

5. **Open the book** to read, search for keywords within the book and jump to relevant chapters. Read by scrolling or flipping through pages.

6. **Create a citation** in your choice of format by selecting 💬 . Citations are also included when you copy and paste text, and print pages and chapters to PDF.

ProQuest Ebook Central™ Quick Start Guide

7. **Get a link to the page or chapter** by going to the specific page (or first page of the chapter) and selecting [link icon]. Sharing this link with others brings them directly to the desired page.

8. **Annotate the book** by highlighting in 3 colors, bookmarking pages, and creating notes by selecting text and attaching a note. Review your Annotations by selecting [star icon].
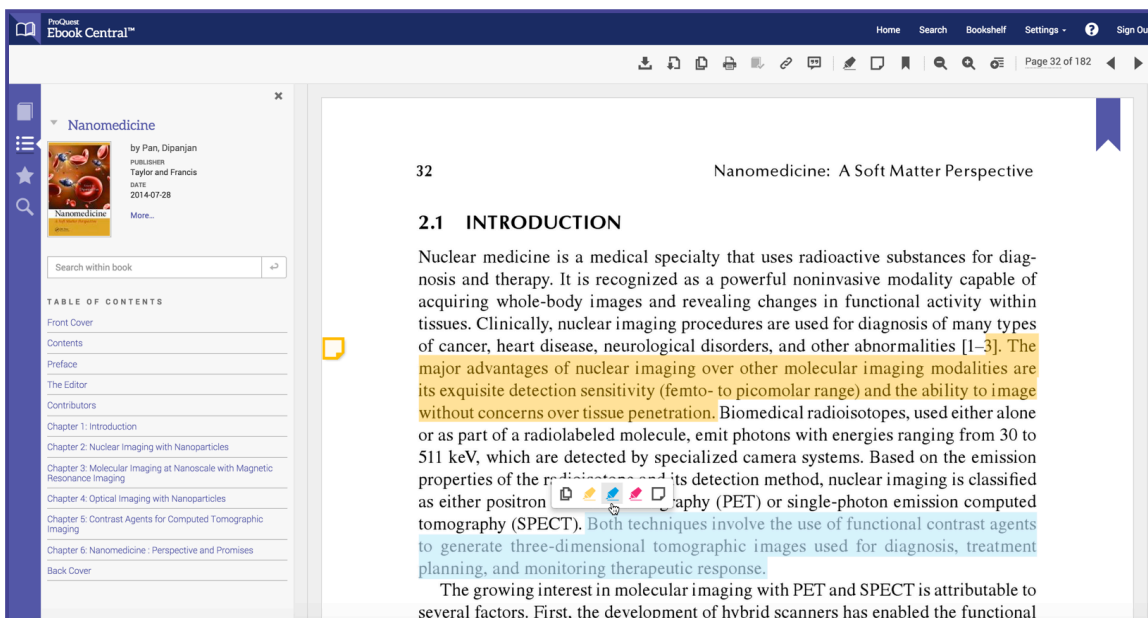

Your notes, bookmarks, and highlighted text in the Ebook Central reader

9. In your Bookshelf you can **organize and share your research**. Share a book or entire folder of books with others, and export the notes you have taken in a book.

10. **Download the book or specific chapters** to use offline.
