The screenshot displays the Al Manhal search results page for the query 'medical'. The page is structured with a header, a search bar, a results list, and a sidebar. The search results are displayed in a table format, showing the title, author, journal, publisher, and main topics for each entry. The first result is 'Library Collaboration with Medical Humanities in an American Medical College in Qatar' by Birch, Sally | Magid, Amani | Weber, Alan, published in the Oman Medical Journal in 2013. The second result is 'Comparing Attitudes of Health Care Providers and Allied Medical Professionals towards Mental Illness and Patients with Mental Health Disorders in Jordan' by Al-said, Hussein M. | Juma'an, Amjad A. | Dmour, Hussein H., published in the Journal of The Royal Medical Services in 2012. The page includes a search bar, filters, and a sidebar with navigation links.

Read Full-Text Content

SEARCHABLE FULL TEXT CONTENT,

If the title is determined in your domain, you will view the full text of the title, so you can page through the title from start to finish. Otherwise, you will view a few snippets – Preview Mode-.

The screenshot displays the platform.almanhal.com interface. On the left, a sidebar contains a 'Table of Contents' with a list of chapters and their page numbers. A black box labeled '1' highlights the 'Contents' tab. The main area shows a document viewer with a search bar at the top labeled 'Search Within Document'. A red box labeled '2' highlights the right-hand menu, which includes options like Download, Print, Share, Annotate, Highlight, Add To Bookshelf, Go to bookmark, Read, and Stop. The document text is in Arabic, discussing the importance of using the platform for learning and sharing knowledge. A QR code is visible at the bottom of the document area.

1. TITLE CONTENT

CONTENTS: Show Table of Content which each section and chapter can be linked to an exact Location in the text. Clicking on selected content will automatically redirect to the text.

DETAILS: Show basic metadata of the selected title.

***MORE DETAILS:** Navigate details page of the selected title

2. READ TOOLBAR

A- SEARCH INSIDE FULL TEXT:

Enter, edit and search for new phrases in the search textbox. Using the arrows navigate to previous/next search results, if found. In addition to the ability to highlight the default value within all results, Match the case in search results for English letters (A or a) and Match full phrase exactly as written in the search field.

b- PAGE NUMBER: Shows the current page number out of total pages, easily navigated by using arrows, scrolling or by writing the page number.

DOWNLOAD PDF as a full-text or part-text file, with all rights reserved to Al Manhal

SHARE using social media networks or personal email

ADD ANNOTATION by highlighting a paragraph and clicking the 'annotation' icon, comments can be added or edited

HIGHLIGHT Text from the content page, with use of multiple colors

CITATION STANDARDS: Al Manhal provides citations in APA, Chicago, Harvard, MLA and Turabian format

ADD TO BOOKSHELF within the personal library upon sign-in to the Al Manhal platform

BOOKMARK the current page and remove it when necessary

NAVIGATE BOOKMARKS: Go to bookmarked pages, where available

TEXT-TO-SPEECH: Automatically read the text based on content language

EXPLORE features such as copy, print, definitions and search from the selected text on other websites

The screenshot shows the 'My Titles' section of the Al Manhal Demo Library. The interface includes a top navigation bar with 'Search', 'Browse', 'My Bookshelf', 'Administration', and 'Help'. A sidebar on the left shows 'My Titles' with sub-sections 'All Documents' (76), 'Downloads' (24), and 'Purchases' (1). The main area displays a list of books with details like author, publisher, language, and publication date. A 'Sync with Al Manhal Store' button is highlighted in the top right of the book list area.

1. MY TITLES

- a- CREATE NEW FOLDER to organize the titles in self-selected sections
- b- ADD TITLES: Click on the symbol to add titles to the personal folders
- c- TITLES DETAILS: Read all key pieces of information about the title, with a special delete title feature
- d- FILTER BOOKSHELF ITEMS by document type (Books, Articles, Reports and Theses)

2- INTEGRATE WITH THE ALM WEB BOOKSTORE

The Sync button inside the Bookshelf let you bring your Purchases from Web Bookstore to Al Manhal Platform.

Using the Bookstore Sync tool, you will be able to perform full-text searches and retrieve book information, view ability and eBook availability. You can also manage your personal bookshelf.
