nature.com

BROWSE (GÖZDEN GEÇİRME)

Nature.com adresinde yer alan tüm süreli yayınları A'dan Z'ye gözden geçirebilir. Dilediğiniz süreli yayına tıklayarak içeriklerini inceleyebilirsiniz.

➤ Nature platformu içeriklerini göreceksiniz.

The image shows the homepage of the Nature.com website. A red arrow points to the 'All Subjects' link in the left sidebar, which is part of a menu containing 'Journals A-Z', 'All Subjects', and 'nature.com'. The main navigation bar at the top includes the 'nature.com' logo, a 'CLOSE' button, and links for 'Search', 'E-alert', 'Submit', and 'Login'. Below the navigation bar, there are links to various journals and subjects, including 'Nature', 'Nature Communications', 'Nature Protocols', 'Review journals', 'Scientific Reports', 'View all', 'Biological Sciences', 'Earth & Environmental Sciences', 'Health Sciences', 'Physical Sciences', 'Scientific Community & Society', 'View all', 'Subscriptions', 'Authors & Referees', 'Librarians', 'Advertisers', 'Press', and 'About'. The main content area features a large banner with the text 'spreading genes to unmodified crops...' and a smaller banner with the text 'News | 15 January 2018'. The bottom section displays the 'Current Issue | 11 January 2018' with a cover image of the journal 'nature'.

- 'Journal A-Z' kısmı açtığınızda; dergilerin alfabetik olarak dağılımlarını göreceksiniz. Dilediğiniz içeriğe buradan ulaşabilirsiniz.

İlk filtreleme tercihi Makale Tipi(Article Type)'dir.

Arama tüm makale tiplerinde gerçekleştirildiği için filtrelemeyi aşağıda yer alan seçenekleri kullanarak yapabilirsiniz.

The screenshot shows the Nature.com website interface. A red header bar at the top contains the "nature.com" logo and a "MENU" button. Below the header, a navigation bar includes "Article type" (highlighted with a blue box), "Journal", and "Date". A dropdown menu for "Article type" is open, listing various article types with their respective counts: Research (2849), Reviews (992), Comments and Opinion (282), News and Views (193), News (188), Special Features (165), Books and Arts (96), Research Highlights (91), Editorial (79), Correspondence (42), Protocols (22), Amendments and Corrections (6), Advertorial (1), and Multimedia (1). The main content area displays a list of articles, with the first one titled "Behavioural genetics" and dated "December 5, 2017". A sidebar on the right provides more details about "Behavioural genetics", including a description and a link to "Latest research & reviews on Behavioural genetics". At the bottom right, there is a "TOP TEN Big Data" banner.

İkinci filtreleme tercihi Süreli Yayın(Journal)'dir.

Arama Nature.com platformu üzerinde yer alan tüm Nature Süreli Yayınlarında gerçekleştirildiği için sonuç gelen süreli yayınlardan herhangi birini/birilerini seçerek aramanızı filtreleyebilirsiniz.

The screenshot displays the Nature.com website interface. At the top, there is a red navigation bar with the 'nature.com' logo and a 'MENU' button. Below the navigation bar, the main content area is divided into several sections. On the left, there is a sidebar with 'Article type' and 'Date' filters. The 'Article type' filter is currently set to 'Journal', and a dropdown menu is open, showing a list of journals with their respective article counts: Nature (607), Molecular Psychiatry (384), European Journal of Human Genetics (380), Nature Genetics (380), and Genetics in Medicine (339). A 'Choose more' link is also visible. The main content area on the right shows a list of articles, including 'ACNP 56th Annual Meeting: Poster Session I, December 4, 2017' and 'ACNP 56th Annual Meeting: Poster Session III, December 6, 2017'. On the far right, there is a section titled 'Behavioural genetics' with a brief description and a link to 'Latest research & reviews on Behavioural genetics'. At the bottom right, there is a banner for 'TOP TEN Big Data'.

Gerçekleştirdiğiniz aramayı farklı güncellik tanımlarına göre yeniden filtreleyebilir ya da «Custom Date Range» seçeneğine tıkladıktan sonra belli bir tarih aralığı belirterek sonuçları filtreleyebilirsiniz.

The screenshot displays the Nature.com website interface. At the top, there is a red navigation bar with the "nature.com" logo and a "MENU" button. Below the navigation bar, the search results page is shown. On the left, there are filters for "Article type" and "Journal". The "Date" filter is highlighted with a blue box, and its dropdown menu is open, showing options: "Today", "Last 7 days", "Last 30 days", "In the last year", "Last 2 years", "Last 5 years", and "Custom date range". The "Custom date range" option is selected. The search results are sorted by "Relevance". The first result is titled "ACNP 56th Annual Meeting: Poster Session III, December 6, 2017" and is from the journal "Neuropsychopharmacology". The second result is titled "ACNP 56th Annual Meeting: Poster Session II, December 5, 2017" and is also from "Neuropsychopharmacology". On the right side of the page, there is a section titled "Behavioural genetics" with a description of the field and a link to "Latest research & reviews on Behavioural genetics". Below this, there is a section titled "TOP TEN Big Data" with a background image of orange dots on a black background.
